PRESS RELEASE

Company: Buechel Stone Corp.
Date: October 13, 2006
For Immediate Release

Buechel Stone Launches New Natural Stone Product

Buechel Stone is excited to announce the launch of their new product, Chilton Woodlake Blend. This product has a blend of irregular and rectangular shaped pieces and features a natural color combination of gray, blue, brown, lavender and mauve. Chilton Woodlake Blend is perfect for those seeking an elegant look with depth of color and texture.

Chilton Woodlake Blend featuring a drystack application.

Buechel Stone Corp. quarries and manufactures a full line of building and landscape stone which is distributed nationally and internationally through an extensive dealer network. The company has offices in Fond du Lac and Chilton, Wisconsin and employs more than 300 people.
